

# Solar Panel Z Brackets

## We would like to show you our Solar Panel Z Brackets

### THE KIT CONTAINS:

- 1 Z-type brackets – 4 pieces
- 2 M6/20mm screws – 4 pieces
- 3 M6 nuts – 4 pieces
- 4 Spring washers 6 mm – 4 pieces
- 5 Plain washers 6mm – 8 pieces
- 6 Roof screw – 8 pieces

The brackets are made of anodized aluminium With a base of 100mm (3.94 inch) \*30mm\*1,6mm. The screws, nuts and washers are made of stainless steel.

### ADVANTAGES:

- the brackets are light ( aluminium )
- they do not corrode, because they are anodized
- they very easy to install
- they are very durable
